2017 Picnic

Where – Jeffery Open Space Park, Irvine, CA (Southeast corner of Irvine Blvd and Jeffery Road)

When- October 7, 2017, around 10:30. Board of Directors Meeting at 8:00 followed by station/picnic setup.

October 7 is the weekend of the California QSO Party. Come and join fellow OCARC members and guest at the Jeffery Open Space Park for a day radioactive friendship. We are planning to have a station on the air operating in the California QSO Party and possibly a Fox Hunt.

Participants should plan on bringing their own food and drinks. Additional picnic chairs would be a good idea.

Parking is available at the intersection of Shepard and Grassland which is very close to the picnic benches.

Antennas will most likely be a 20M vertical and a few dipoles. There are 40 foot trees at each end of the picnic area offering a chance to try out your antenna launchers. Rigs will be IC-7000 and Yaesu FT 857.

The facilities include four park benches and clean restrooms. Club pop up tents will provide shading.

Members who are unable to attend can still contribute by submitting their CQP logs as an OCARC club submittal.

An **ARRL** Special Service Club
