 NOVEMBER MEETING

In addition to the club elections, a very fine program was presented by Jim - WB6BYZ. Jim provided a very detailed slide show on the construction details of a "junk-box" linear amplifier.

Tom-WN6VNE walked away from the meeting as winner of a beautiful 24-hour clock in the monthly raffle. The clock was a donation to the club from Kei-W6NGO, who had brought it back from his journeys in Japan. Kei has also donated a great POWER METER for the January raffle. Our sincere thanks to Kei for these fine donations.

Attendance at the November meeting was about 43. Not bad for a rainy night.

 NEW EDITOR FOR RF

The OCARC is pleased to announce that Neal - WA6TZA has volunteered to be the editor of RF for 1974. Don - W6OOH has had to turn over the job because of increasing work loads. Let's all give Neal your support by sending him articles. His QTH is:
