TVI Chmn. K6LJA Ted

\*\*\*\*\* NEXT MEETING \*\*\*\*\*

The next meeting of OCARC, INC. will be held Friday, April 17, at 7:30 P. M. at the Santa Ana Register Building, 625 No. Grand Ave., Santa Ana, Calif.

\*\*\*\*\* LAST MEETING \*\*\*\*\*

Don Stansifer spoke to outline and describe the role of Section Communication Manager of San Diego Section. He pointed out the various ARRL Field Organization station appointments that are available to qualified League members holding FCC amateur license.

Color slides of the 1963 Field Day activity were shown to the members by Jack, WA6YWN and Yates, W6VAA. No doubt this brought back many fond memories to those who were there.

\*\*\*\* 22nd ANNUAL FRESNO HAMFEST \*\*\*\*

Don't forget the Annual FRESNO HAMFEST ON SATURDAY, MAY 16 if you happen to be in the area. Registrations begin 7:00 P. M. Friday May 15 for the early birds..... Tickets for \$6.50 include Banquet.

TOWNE & COUNTRY LODGE, FRESNO, CALIF.

\*\*\*\* MEXICO NATIONAL CONVENTION \*\*\*\*

Also for those with vacations in May, the National Convention of radio amateurs for Mexico will take place in Guaymas, Sonora, on the 28, 29, 30 of May. Reservations and forms, or additional details are available at ROBINSON ELECTRONICS, 922 W. Chapman Avenue, Orange, California. LISTEN to the MEXICAN LIGA NET (AM & CW) Tuesdays at at 9AM PST 14.16 Mc

\*\*\*\* XEØ MOBILCADE TO ENSENADA \*\*\*\*

At a monthly breakfast on Mar. 15, final plans for the "mobilcade" to Ensenada, Mexico were made. APRIL 25 & 26 are the dates and approximately 6:00 A. M. SATURDAY, the time for the departure of this activity. It is hoped that 30 to 40 cars will go and make this a good turn-out. License applications have already been submitted, however insurance can still be obtained for 24 or 48 hour coverage at \$3.07 and \$4.50 respectively. Contact DUKE W6OZD for details.

XEØPJU Mildred, and Roy plan to leave Friday and return Monday. They will be operating all bands...AM & SSB. Maybe for those of us who can't quite make it, first hand information on what a grand time we are missing can be obtained by working this famous team.

\*\*\*\*\* HAMAD \*\*\*\*\*

For Sale: Have one each, 40 HP MOBILE.... 1959 FIAT., Complete with whip mounting. Call K6KTX ROLAND, KE 2-5183

\*\*\*\* ALASKAN ACTIVITY \*\*\*\*

No doubt there are many more stories of "ham" radio and the Alaskan quake, but it seemed that K6KTX knows a young girl whose parents are in Anchorage, Alaska. Per Murphy's Law on "hams" who don't have operating transmitters, Roland took and originated a health and welfare message. W6WRJ, called upon to do honors, was successful in feeding the message into the MISSION TRAIL NET. Within two days, a reply was received saying that the father and mother were safe. Comment is made that the "hams" in KL7 land did a splendid job, in that an Air mail letter was sent also but the "ham" message arrived first despite the fact that only a P.O.Box number was given as an address.

\*\*\* ORANGE COUNTY COUNCIL OF \*\*\*  
AMATEUR RADIO CLUBS

The next meeting of the Orange County Council of Radio clubs will on the 1st Tuesday of May.

\*\*\* ARRL SECTION FOR ORANGE COUNTY \*\*\*

A campaign to establish a new ARRL Section for Orange, Riverside, and San Bernardino Counties is in full swing..All members of OCARC who are also ARRL members are asked to sign the petition at the next meeting. All names must in to Ray Meyers to take back to the ARRL Board meeting in MAY. It is understood that not all of you can be at the meeting so there are petitions for you to sign at HENRY'S, in Anaheim; at ROBINSON ELECTRONICS, In Orange; and at WRIGHT'S HARDWARE, in Costa Mesa, (Opposite the fire station):

\*\*\* EDITOR'S CORNER \*\*\*

Well, I will start, if I may...by way of a quote:  
. . . . "Field Day is mostly a period of fellowship and fun along with a lot of hard work and 'do-or-die for old Siwash,' We NEED participants! Even if you can only help for a few hours-Volunteer! We are not only in competition with clubs across the nation," but lets see if we can better our last years record and come in first in our class..

Here is last year's mark: 9930 POINTS
