Savings Account.....	761.08
TOTAL	\$1076.12

TO MY NEIGHBORS:

NOTICE CONCERNING ALLEGED TV INTERFERENCE FROM THIS TRANSMITTER

1. You have called to my attention the fact that transmissions from my station are causing interference to your TV reception.
2. Interference such as you describe is not caused by CB operations, as CB stations cannot and do not cause TV interference. Nor is this interference the result of any malfunction of my equipment or poor operating habits - for my station is NOT a CB station.
3. Be advised that your government is placing a \$500 per year tax on all TV receivers. Because it is difficult at this late date to obtain a listing of TV set owners for taxation purposes, your government has established a vast network of TV jamming installation with the hope that TV set owners will make themselves known to these jamming stations so that their names can be added to the tax rolls. This station is just such an installation.
4. Your government greatly appreciates your turning yourself in. You will be one of the first taxed. You have also verified that this TV jamming equipment is functioning properly.
5. We have also made note of the time and channel you reported this jamming. This information will be given to several TV program rating surveys.
6. You have therefore provided a valuable service to the entertainment industry and to your government.
7. So that you will not be the only one taxed, please be patient as we continue our jamming operations.

OPERATOR, OFFICE OF TV TAXATION

1. We will be keeping our current club P.O. Box.
2. Ponty, WD6AVS, reported on the VIP program and submitted the current financial statement.
3. The "outgoing president" trophy and "good of the club" award is being aptly handled by Al, W6JBR.
4. Possible club programs for the coming months were discussed including a forthcoming presentation by Bob, AF6C, on ten meter 7-hurts.
5. A presentation was made by Explorer Scout representative Mike Miller on the possibility of establishing an OCARC sponsored amateur radio Explorer Post. This will be presented to the general membership at the December meeting for discussion.
6. A motion was made to buy six sets of "The World of Amateur Radio", which are currently on sale at Heath in Anaheim. Sid, M6AQC, volunteered to make the purchase. These will be made available, by the club, for use by any club member.
7. Robin, KA6HHY, volunteered to foot the cost of including a membership form and SAE in hte current RF in order to facilitate and promote membership enrollment. A suggestion was made to include a means of earmarking special donations for a fund designed for club purchases of needed equipment such as a generator for field day and emergency use.
8. A questionnaire designed to poll the membership as to their general interests, club interests, etc. is being put together in order to try and define the directions the club should take in the future.

THE PREZ SEZ,

I would like to take this time to thank all of the 1980 Officers for their cooperation and support through out the year - even with the few changes that did occur among some of the positions the transitions went on smoothly. A very large thanks goes to Al Watts, W6JBR, for his assistance and also for having all of the board meetings at his QTH. Without the aid of his wife (Dot) and her gracious way of hosting the board meetings we would have been lost.

During the many many things that happened some to good and others not as good but we did manage to complete the year - even though at the beginning of the year I had some doubts.

Field Day 1980 was a very good year for me since the club scored the highest score ever in the seven years of my membership in the club. At this time I would like to take the time to wish all of the new officers that were elected at the November meeting a good and successful year. President elect - Frank Smith, W6VVK, Vice President - Robin Hoff, KA6HHY, Treasurer, Frank Gregg, WB6KJS, Secretary - Howard Atwell, KA6CZI, Activities - Jerry Zilisk, KB6MF, Membership - Bob Teget, WD6DPK, Publicity - Sid Shishido, N6AQC, TVI - Bob Eckweiler, AF6C, and last but not least the Member at large - Bill Fricker, WD6ESS. May their term in office be smooth and fruitful for the good of the club. I hope that everyone that attended the Xmas Banquet had a good time, for those that didn't attend, I hope to CU next year.

Also, a big thanks to all club members that helped with communications for the Red Cross during the November Fire Disaster. From Alex, W6RE, on down the line of those that participated either a Red Cross Headquarters - their Home or at O'Neill Park Fire Base Camp a sincere Thank You.

73's

P.S. To those that got me started in Amateur Radio (WB6PEX and others) a very special Thank You.

EXPLORER SCOUTS

An opportunity exists for the OCARC to participate in the formation and sponsorship of an Explorer Scout Amateur Radio Post. The responsibilities of the club would be to provide a place to meet, develop program resources and provide leadership for the post. This would be a great opportunity for the club to participate in a very worthwhile activity which would promote the growth of Amateur Radio among young people. We would like all club members to consider this program both from the point of view of participating as advisors and also, for those of you with children of scouting age, getting your kids involved. The topic, in general, will be discussed at the December meeting with a follow-up discussion at the January meeting at which time an Explorer Scout representative will be present to give a formal presentation and answer our more specific questions.

NEW MEMBERS

Don Klos, W600H, 3004 La Villita NE, Albuquerque, N.M. 87111

NOV. 1, 1980
 Honi Seci

744-0096

Presents greetings to all the members of the OCARC. I am pleased to receive the copier of R.F. My late wife, Mildred, 6PNU and myself gave a lot of effort to getting the club started again after WW II when I was reassigned into the job of President for a couple of terms and we also did the leg work for the Orange Section and I was first SCM. That there are a lot of new members who do not know me. My wife Gladys is very ill with cancer and it takes lots of time but some day I will visit one of the meetings. Please note that my name is spelled wrong and my new address is San Marcos.

73 to all Max W6DEY

**OCARC CLUB MEETING
 NOVEMBER 21, 1980
 MINUTES**

1. Early Bird drawing was won by W6MIL.
2. All officers were present.
3. No minutes for Oct. meeting. This was because it was the annual auction.
4. Elections:
 President Frank Smith
 Vice President Robin Hoff
 Treasurer Frank Grege
 Secretary Howard Atwell
 Activities Jerry Ziliak
 Membership Bob Tegle
 Public Relations Sid Shishido
 TVI Bob Eckweiler
 Member at Large Barry Pritchard
 Bill Fricker

5. No Committee reports.
6. Communications - letter received from a man in Buena Park who would like help in getting his license. Sid lives in Buena Park and he volunteered to help.
7. No Unfinished business.
8. New business - Bob Maller can no longer be editor of the R.F. due to other commitments. The Club needs a new R.F. Editor. This is a call for volunteers.
9. Treasurers report will be in the December R.F.
10. Good of the Club. Leonard Victor suggested we participate in the Disneyland Service Award.
11. VIP announced that they have added two new schools to the program. More volunteers are needed for the program.
12. Meeting was adjourned.
